

An Invitation To Discuss a Regional Merger

May 28, 2008

To: Library Staff and Trustees

We feel the time has come to officially unite SELCO and SELS into a single entity, but we would like to hear from you first.

Please join us at one of these upcoming meetings for a short presentation by members of the SELCO Board of Directors' Structures Committee on the merger purpose and process. Following the presentation, we want to listen to and discuss any questions or concerns you might have. The first meetings will be:

1. Wednesday, June 4, 2008, 4:00 – 6:00 pm in conjunction with the SELS Advisory Committee meeting
2. Tuesday, June 10, 2008, 9:30 – 11:30 am in conjunction with the SELCO Advisory Committee meeting.

Additional meetings are being planned around the region in Albert Lea, Lake City, Northfield, Rochester and Winona.

If you need a little background on what we've done to date, here's a webpage to visit:
