

SELCO Technology Users Group Meeting September 09, 2008

Schedule and Session Description

Welcome to the SELCO Users Group! As we did in the May meeting, we are offering multiple, simultaneous sessions. In this way, we hope to make the meeting more useful to more people. Note that the Eight Things You May not Know about Horizon session is repeated due to anticipated high interest. Here's a schedule of the sessions, followed by descriptions of each one:

Room #1 Avila Conference Room			
9:30 – 10:00	<p>Greeting and Keynote Presentation: Next Generation Catalogs for SELCO</p> <p><i>Keynote Presenter: Donovan Lambricht, Automation Librarian</i></p>
